WHOLESALE TRADE LIST

OF

WHEELOCK & CONGDON

NORTH COLLINS, N. Y.

In presenting you with this, our 23rd annual price list we wish to thank all our many customers for their liberal patronage without which success would not have been possible and we assure you that our stock for the spring trade is up to our usual high standard. IF YOU HAVE NEVER BOUGHT OF US GIVE US A TRIAL ORDER THIS SPRING.

We are also glad to have those in the trade visit us and will meet all comers at either depot (Angola or North Collins) with auto.

Our nursery and farm is located between North Collins and Angola. We ship from both towns. At North Collins we have the Erie R. R. and at Angola the Lake Shore and Michigan Southern, the Nickle Plate and Pennsylvania Railroads. We have the Adams, American, National and Wells Fargo Express Companies which give good shipping facilities. We store Grapes, Currants, Goose-berries, Blackberries and Red Raspberries in the cellars for early Spring shipment. Strawberries and tip Raspberry plants are always fresh dug as wanted for shipping. Every box is carefully paper lined and no care will be spared to have the stock reach its destination in good condition.

No charge for packing packages or carting to depot, but after delivering to forwarding Company it is understood that we are released from any further responsibility for its safe arrival. We will, however, do everything in our power to trace and hurry shipment through. BEFORE SENDING US COMPLAINT OF DELAY BE SURE THE STOCK HAS PLENTY OF TIME TO REACH YOU.

GUARANTEE

We have every reason to think our stock pure and true to name, but we also realize that errors creep in, in unexpected places sometimes, and we sell with the understanding that we are not responsible for any damage over and above the first cost of the plants, should there be an error. All sales are made subject to above conditions.

CREDIT

We extend credit to all responsible parties, payments due June the first and December the first. If we have never had dealing with you, always send Bank references if credit is desired, otherwise shipment will be delayed until we can look up your responsibility. It is to your interest to avoid delays of this kind.

STATE OF NEW YORK

No. 1120

Department of Agriculture

Certificate of Inspection of Nursery Stock

Dated, Albany, N. Y., Sept. 1, 1916.

This is to certify that the stock in the nursery of Wheelock & Congdon, of North Collins, County of Erie, State of New York, was duly examined in compliance with the provisions of Sec. 305 of the Agricultural Law, and was found apparently free from any contagious or infectious diseases, or the San Jose scale, or other dangerously injurious insect pest or pests. This certificate expires September 1, 1917.

CHARLES S. WILSON,
Commissioner of Agriculture.
